

GREEN KING

CUCIRINI RAMA

GREEN LINE

**GREEN
KING**

100% RECYCLED
SPUN
POLYESTER,
HIGH TENACITY,
HEAT SET

The Green King retains the well-known characteristics of the King, an item that has been used with great satisfaction by countless textile companies for several years.

Its high resistance and sewability values place it between poly-poly and spun polyester, resulting in a wide range of applications and making it suitable to replace poly-poly in many uses.

Rama offers the Green King product in a complete range of counts, with the option to dye all the colors available in the King article upon request.
