CUCIRINI RAMA

SURFIL

100%
VOLUMIZED
POLYAMIDE

It is a 100% polyamide volumized yarn, designed to address issues related to particularly covering and soft seams. To ensure this feature, our technicians focused on enhancing the volumizing process, achieving both maximum coverage effect and a soft, cushioned feel to the touch. These qualities make SURFIL ideal for underwear, sportswear, and any garments with covering seams that could cause discomfort or irritation from friction.
